

Sakiko Fukuda-Parr

Bio

Sakiko Fukuda-Parr is Program Director and Professor of International Affairs at The New School. Her teaching and research focus on human rights and development, global health, and global goal setting and governance by indicators. From 1995 to 2004, she was lead author and director of the UNDP Human Development Reports. Her recent publications include: *Millennium Development Goals: Ideas, Interests and Influence* (Routledge 2017); *Fulfilling Social and Economic Rights* (with T. Lawson-Remer and S. Randolph, Oxford 2015), winner of the American Political Science Association's 2016 Best Book in Human Rights Scholarship. In addition to research and teaching, Fukuda-Parr participates in international policy processes. Most recent appointments include the UN Committee on Development Policy as Vice Chair, the Secretary General's High Level Panel on Access to Medicines and Innovation, and Boards of Knowledge Ecology International and International Association for Feminist Economics. She directs the Independent Panel on Global Governance for Health at the University of Oslo, and also serves as Distinguished Fellow at the JICA Research Institute, Tokyo.
